peoria.medicine.uic.edu

Curious about
medical research in Peoria?

Ever consider participating
in a clinical trial?

This session will break down the
types of research taking place
in Peoria and highlight the
patient protections
in place.

FREE

Health Screenings:
Blood Pressure,
Blood Sugar and BMI
Starting At 6 p.m.!

Presented as part of the
Swain Endowed Lectureship

Sponsored by UICOMP and
the UIC Library of the Health Sciences.
